INTRODUCTION

We introduce ourselves as one of the leading transport companies of the country with HO at Bhopal.

We are an established concern namely **Om Sai Logistics Corporation Bhopal (M.P.)** which is registered in Bhopal. Our company was incepted in the year 2006, with the chief motive to cater to the needs and requirements of our customers with almost sincerity and dedication.

We take this opportunity to introduce ourselves that, we have very much competent staff to handle the jobs at Docks Area, Field Area, and deliver perfectly in time with safety segment. For that we can prove our ability, capacity to meet your requirements as will be required by you & request to register our name in your approval list of transportation with vendor registration.

We are glad to intimate to you that we would be able to provide you the following services and facilities under the supervision of our sincere and experienced staff. The responsibility of our company is to ensure the procedure is kept up to date and in the line with respective legislation. The authority to ensure all transport contractors are informed to changes to the procedure where necessary. The carrier will be authorized to transport product on behalf when instructed to do by means of a company delivery docket, and other instruction will be accordance with the procedure.

SERVICES

We provide all type of transport vehicles like mini trucks, normal trucks, open body trucks, taurus and all types of mechanical trailers in various weighing capacity covered under the motor vehicle act for any place/destinations in India.

Arrange to bring the material/goods from any destination outside Bhopal with the help of our wide network of associates all over India.

Undertake all type of export jobs standard/non-standard to any port of India under our expertise staff deployment and supervision.

Arrange and provide cranes of required capacity for loading/unloading at destination at the minimum rate. Also we provide manual loading/unloading of consignment up to 450 MT.

Warehouse facilities at Bhopal covered and open store area for keeping the goods in safe and good condition.

Arrange for storage and transit insurance at your cost in our open policy.

As we are in the transportation field with a substantial cliental list attached here to, we are interested to offer you competitive logistics support for movement of your consignments time-sensitively and safely.

We assure you that we will be providing to you the excellent services from time to time, if we are given a chance to serve you in your transportation and logistics functions.

We would request you to kindly consider our company for transportation of material for your future requirements.

TRUCK SERVICES

Normal / Open Body / Mini trucks are provided at short notice.

TRAILER SERVICES

Mechanical Trailers of various capacities registered under Motor Vehicles Act.

ESCORT SERVICES

Provided free when needed by mutual agreement.

MANUAL LOADING AND UNLOADING SERVICE

Provided for consignments weighing up to 450 MT. Further, we undertake transporting all types of export jobs by trucks / trailers to any port in India under our supervision at all stages. Progress is intimated to clients from important locations on the way.

LOADING/UNLOADING SERVICES

Cranes can be arranged at loading /unloading sites on payment basis.

WAREHOUSE FACILITIES

Covered Shed / Open Area available at Bhopal at no extra charge. At other locations / sites on chargeable basis. We arrange for storage at warehouse and sites.

TRANSIT INSURANCE

We can arrange for the transit insurance facility at your cost in our open.

PROJECT & ODC TRANSPORTATION

An ODC is a cargo where the length, width or height is more than the standard cargo dimension. There are specially designed equipments, Trailers with Multi-Axel to carry the ODC. We try and examine for you the possible obstacles and roadblocks that can possibly be analyzed, before your Consignment starts its journey to the ultimate destination. Our team examines the route thoroughly to come up with a full fledged feasibility report, which in turn gives us the time to prepare and remove the potential hurdles that come in the way of the smooth transportation of the consignment, thus providing our clients with an efficiency that they have come to admire us for.

VISION

Market leadership with effective systems and excellence in service standards for profitable growth.

MISSION

We are committed in achieving customer delight and to the pursuit of excellence through constant improvement in quality service, continuous enhancement of human resources and ceaseless endeavor to provide customized solutions that meet corporate objectives, and thereby establish ourselves as trusted “Business Partners”. We will always strive to improve the quality of life of our people and the community by implementing enlightened practices and welfare schemes.

QUALITY

The quality of the service Om Sai Logistics Corporation offers is a key factor in our continued success. Our commitment to quality is reflected in our highly committed team, who serve customers that are looking for the highest quality in terms of relationships and requirements.
